

Dear Friends and Supporters of AGC,

Timothy's Renew trip was highlighted by the hope & joy that was experienced by both the Timothy students and the families and children we served. During Easter Season we are reminded of John 3:16

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

That is amazing news for All of God's Children.

Because of what Jesus Christ accomplished, overcoming death and rising again victorious and alive, we can live, Forever, Forgiven & Free.

Jesus is the source of our HOPE and JOY.  
May God be praised

IN THIS ISSUE: ANA'S JOURNEY | JIMMIE'S STORY | BRINGING HOPE & JOY

## ANA'S JOURNEY

Ana's life began in the Hogar, alongside her sister Delia. Their mother, deemed too impoverished to care for them, had to have her daughters entrusted to the orphanage.

Years later, Ana's reunion with her mother was bittersweet. Tragically, her mother succumbed to vices—abandoning work, indulging in alcohol and drugs, and disappearing into the night. Delia, seeking a better life, left for the United States, leaving Ana behind.

At just 12 years old, Ana faced solitude. Her aunt stepped in, providing care until she, too, faced adversity—a lymph node cancer diagnosis that necessitated urgent treatment in Guatemala and a lengthy quarantine.

Alone once more AGC stepped in. Angel and his wife Mayra extended their hands and watched over Ana with her Aunt's approval,

offering solace and stability. Now, returned to her aunt's care, Ana attends school, her spirit resilient despite the hardships.

Our commitment endures. Through a monthly provision, we sustain Ana's hope. But she needs more than material support. Pray for Ana as she navigates this treacherous landscape, seeking light amidst shadows.

Pray for Ana as she navigates this treacherous landscape, seeking light amidst shadows.

ALL GOD'S CHILDREN (AGC) IS A MINISTRY OF COMPASSION TO THE ORPHANED AND DISADVANTAGED CHILDREN IN HONDURAS

And the King will answer them, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.' Matthew 25:40

## Jimmie's Story

Jimme, one of our remarkable alumni from the orphanage, embodies a true success story. He has progressed through our university program and is graduating with a degree in architecture. Jimme has been responsible and humble throughout his entire time in the program. Remarkably, he has never sought financial assistance aside from his scholarship. Angel once noticed Jimme walking around in torn shoes, prompting us to step in and ensure he received new ones. This act of care reflects the heart of our mission.

Jimme's personal story is even more compelling. His mother tragically lost her life in a bus accident on a foggy day. Left with the responsibility of raising Jimme and his three siblings, their father struggled. Balancing farm work and parenting proved too demanding, leading him to make a difficult decision: he entrusted their care to the orphanage. **His dad was a strong Christian and instilled faith in Jimme, emphasizing that God was in control and His will was unfolding.** He maintained a steadfast presence in Jimme's life and visited with every opportunity

For the first few years, he did not like being there. It was very difficult to see God's purpose in his life. Eventually, he began to adapt and learn a lot. He learned how to weld and care for animals and a lot about construction from Angel. Everything he learned in the Hogar permitted him to grow and develop the tools he's using now in life and architecture.

**"For the longest time, I thought that God didn't have a purpose in my life because I wasn't being raised by my mom and dad but I realize now that God used all of those moments to prepare me for exactly what I am doing now. I am blessed to have been able to be in the orphanage. Randy, Mercedes, and Angel became pillars in my life. They nurtured my faith, taught me to read the Bible, and provided unwavering support.**

**I thank God for All God's Children because without**

**them I would not have been able to continue my studies. I am very happy and thankful to God for the opportunity to achieve this goal.** I am very thankful for everyone who supported me and accompanied me in this journey and my personal growth. In the beginning, it was simply an objective to graduate, but later it became a dream of mine. Without the blessing and grace of God and the support of everyone I would not be here achieving my dreams, I am so grateful.

**My dream is to be a good Christian, who helps other people get ahead in life in the same ways that I was helped.** My goal is to work for a time to learn as much as I can and then to open up my own firm. I also want to have a family that serves God's will."

With a grateful heart,

**Jimmie**

*My dream is to be a good Christian, who helps other people get ahead in life in the same ways that I was helped*

## Bringing Hope & Joy: A Serve Trip's Impact in Honduras

A group of students from Timothy Christian embarked on a life-changing serve trip to Honduras. This journey was nothing short of remarkable, leaving unforgettable memories etched in all of our hearts.

Among the most impactful moments occurred at Point Ministries, an organization dedicated to reaching the most vulnerable children in Tegucigalpa with the gospel of Jesus Christ. Their mission extends beyond mere provision; it encompasses physical needs, spiritual growth, educational support, and social connection.

At Point the neighborhood kids, eagerly engaged with the students at a Vacation Bible School, creating bonds that transcended language and culture.

Later that day, our students walked the winding streets, carrying Tubs of Love—containers brimming with canned goods, eggs, and other essentials, enough to sustain them for one month. These humble offerings made a profound impact. Imagine the joy when they reached the home of a young mother and her five children.

Their dwelling, constructed from cinder blocks with a tin roof, offered minimal protection from the relentless Honduran heat. Running water was a distant luxury, the city only runs it to the neighborhood once a week, and furniture was limited to two shared beds.

But it isn't just physical nourishment—the children receive an education through Point Ministries, and most importantly, they encounter Jesus.

In that cramped room, hearts overflowed with gratitude. As everyone huddled together, they prayed. It was a moment when God's presence was palpable, and joy—pure and unbridled—filled the space. It was the peace that surpasses all understanding.

All God's Children's partnership with Point Ministries is more than a mere collaboration; it's a lifeline. Through your support, we're bringing hope, education, and the love of Christ to those who need it most. Let's continue to pray for protection, provision, and the realization of dreams—for these families, that they resist the temptation to follow the lead of these gang-controlled neighborhoods and choose the narrow path Jesus sets for us.

**Thank you for being part of this transformative journey. Together, we're making a difference—one Tub of Love, one prayer, and one joyful heart at a time.**
